

Hello

I have heard you are proposing to take alot of the K-Love radio stations and replace them with lpfm stations, how could you. This radio station is the only sanity in this world. I know in Flint, Michigan where I live this K-Love station(88.9) is a godsend to alot of people. To take it away from us would be just wrong, people would fall back ino their old ways. This station lifts people up gives them encouragement and family friendly programming. PLEASE DO NOT TAKE IT OFF THE AIR!!!!!!!!!!
